Wholesale List --- To the Trade Only

All stock offered subject unsold, prices subject to change without notice, F.O.B. our Nursery and to our other catalog terms and conditions of sale.

Guarantee: All material to be in A-1 condition when dug.
No complaints honored unless made in writing
within ten days after receipt of goods.

All orders accepted on the condition that they shall be void if circumstances beyond our control --- such as storms, frost, labor conditions, etc., interfere.

Sufficient Coverings should be carried to protect loads.
All extra burlap, etc., furnished by us will be charged for.

Many other varieties and sizes will be offered and Priced as Marked, when dug and ready in our modern shade houses. Some evergreens should be ready early and can be loaded directly on your truck without waiting.

Extra heavy selected specimens priced according to value.

A long, narrow, horizontal image showing a repeating pattern of small, dark, triangular shapes, possibly a close-up of a textured surface or a microscopic view of a material. The pattern consists of a series of dark, triangular peaks or ridges that repeat across the entire width of the image. The background is a lighter, textured surface. The overall appearance is that of a microscopic view of a material with a periodic structure, or perhaps a close-up of a woven fabric or a similar textured surface.
